A PROFESSIONAL BEEKEEPING SOLUTION PROVIDER IN CHINA

Shenzhen Benefitbee Bee Industry Co.,LTD
Yangjing Benefitbee Beekeeping Equipment Co.,LTD

Company profile

SHENZHEN BENEFITBEE BEE INDUSTRY COMPANY LTD (FORMERLY FENG QING WAN ZHONG BEE INDUSTRY) established in 2009. We're the standing corporate member of China Beekeeping Equipment Committee, Council Member Of Guangdong Apiculture Association, Council Unit Of Shenzhen Chaoshan Commerce Chamber, the Chief Unit Of Shenzhen Entrepreneur Chamber Of Committee. We are a professional manufacturer of full range beekeeping tools integrating Design, Development, Production, Export. We operate 800 kinds of beekeeping machines and tools at present, research and develop one hundred new beekeeping tools every year. We regularly design, develop, produce and provide all kinds of new type of beekeeping equipment for domestic and foreign counterparts.

Our hardware factory-**YANGJIANG BENEFITBEE BEEINDUSTRY COMPANY LTD** is located in "World Knife city" technology and strong supporting industry advantages in China. Yangjiang, Guangdong, furnished with advanced manufacturing

We possess complete tooling and manufacturing equipments for hardware, plastic, fabrics, woodware. Our annual production capability includes more than 2 million beekeeping knives, 500,000 pieces of metal queen excluders, 200,000 pieces of bee smokers, 1 million pairs of beekeeping gloves, and there are more than 300 varieties of hardware tools independently produced.

Our plastic factory-**SHENZHEN QUANYI PLASTIC COMPANY LTD**, is located at the junction of Dongguan and Shenzhen. With the advantages of top injection molding and mold industry supporting and raw materials, it can produce more than 2 million plastic foundations, more than 500,000 pieces of plastic queen excluders, more than 300,000 plastic frames, and more than 100 types of plastic beekeeping tools. We are regularly engaged in designing, researching, development, molding and production of various plastic products.

Since the very beginning of establishment, we strive to exploit our expertise and innovation in beekeeping industry, convenient transportation networks, continuous improvement in products range/quality/price/Service. With the motto of "Love the bees, Benefit the world" and the quality policy of "Awesome workmanship and excellence", the business philosophy of "Keep a promise to everybody", improve comprehensive competitive advantage in variety, quality, price and service continuously, we successfully build up strategic partnerships with some world-renowned beekeeping suppliers and our products are sold across more than 100 countries.

Our corporate success stems from high quality products, prime service, customer's trust. We sincerely hope to cooperate with more customers in the apiculture for mutual benefits and contribute more to fast development of beekeeping in the world.

深圳市益蜂蜂业有限公司（原名蜂情万种蜂业），成立于2009年，是中国养蜂学会理事单位，中国蜂机具专业委员会常委单位，广东省养蜂学会常务理事单位，深圳潮汕商会常务理事单位，深圳网贸会区长单位。是一家集设计、开发、生产与出口销售各种养蜂装备的一站式专业制造商，目前经营800种养蜂机具，每年上百种养蜂机具新品研发，常年为国内外同行设计、研发、生产，供应各种新型养蜂机具。

旗下五金工厂——**阳江市益蜂蜂机具有限公司**，坐落于有“世界刀城”之称的工业重地——广东省阳江市，拥有中国发达的工业制造技术与产业配套优势，目前拥有一整套完善的五金、模具开发与生产设备，年产各种养蜂刀具200多万把，金属隔板50多万片，喷烟器20多万个，手套100万双，自主生产的各种五金工具品种达300多种。

旗下塑料工厂——**深圳市全益塑业有限公司**，位于东莞与深圳交接处，拥有顶尖的注塑、模具产业配套与原材料优势，年产塑料巢础200多万片，塑料隔板50多万片，塑料巢框30多万个，拥有塑料蜂机具模具100余种，常年承接各种塑料制品的设计、研发、开模与生产。

公司自创立以来，充分发扬自主创新的精神，凭借多年来的蜂机具出口与制造经验、珠三角得天独厚的交通便利，秉承着“关爱蜜蜂、造福人类”的企业使命，“巧夺天工，精益求精”的质量方针，“一言九鼎、无微不至”的经营理念，不断提升在品种、质量、价格以及服务上的综合竞争优势，赢得世界众多知名企业的认可并且建立了战略合作伙伴关系，产品远销全球100多个养蜂强国及地区。

企业的成功来源于高品质的产品、优质的服务以及客户的信赖。我们真诚期望与世界蜂业界朋友们建立友好长久的合作关系，为中国乃至世界养蜂业的快速发展而携手并进！

We are different

D1 Variety

Shenzhen Benefitbee Bee Industry Co., Ltd operates more than 800 beekeeping tools currently, 40% of which are self-produced. We invest hundreds of thousands of dollars for mold; research & develop dozens of new products every year. We are the veritable one-stop beekeeping equipment supplier in China. The non-stop innovation ability determines our competitive advantage in the industry, but we believe that our advantage is not only the 800 products, but also the solution provide capacity of demand plan for the beekeeping tools and machine.

D2 Quality

We refuse to exchange low quality for low price. The quality stability and functional practicability of our products are the necessary standards for measuring our products. The continuous upgrading and improvement of our products is the direction of our work. With more than ten years of experience in research & development, production and sales of beekeeping tools, we strictly control the products quality for our customers. Not all beekeeping tools can enter our catalogue. We promise that the products will be refunded in full if they have quality problems.

D3 Price

40% of the varieties are self-produced and sold, first-hand sources. Although 60% are outsourced products, but our huge annual purchase volume determines our position, delivery, price, and quality standards with partners. The same quality with lower price, the same price with higher quality is our commitment to customers. Under the same conditions and the same price, if you find that the price is higher, we promise to refund the price difference.

D4 Service

The prosperous Shenzhen Special Economic Zone will inevitably have high labor costs, but it provides us with a high-quality service team. 100% customer satisfaction is our pursuit, you will get our convenient, time-saving, money-saving and reassuring service during pre-sale, in-sale and after-sales! Your appeal is the source of our growth! If you have any service issues, welcome to direct complaint to the general manager's email: elvis@benefitbee.com

D5 Transportation

Shenzhen Benefitbee Bee Industry Co., Ltd is headquartered in the Shenzhen Special Economic Zone, adjacent to Yantian Port, which is the largest port in China, also near to ports such as Shekou, Nansha and Huangpu. We can provide you with fast, convenient and cost-effective transportation solutions.

D6 Industry

Our factory is located in the industrial city of China's Pearl River Delta. It has China's advanced production technology and industrial supporting advantages, such as the world's knife city in Yangjiang and the plastic mold capital in Dongguan. Its top industrial level creates first-class product quality.

D7 Experience

Since its establishment in 2009, our products have been exported to more than 130 countries and regions, and we have visited dozens of countries and regions in the field. We have deep knowledge of beekeeping habits, market demand and product standards in most countries and regions around the world. These valuable experiences have created our comprehensive service capabilities!

D8 Scale

Our company currently has 2000 square meters of hardware products factory; 1,500 square meters of plastic products factory; 3000 square meters warehouse distribution center; goods value of nearly 1 million US dollars in stock; 1000 square meters office; 400 square meters comprehensive exhibition hall; total employees more than 120 people; more than 300 carefully selected suppliers with high quality supporting. We strive to build our comprehensive strength to protect your logistics supply.

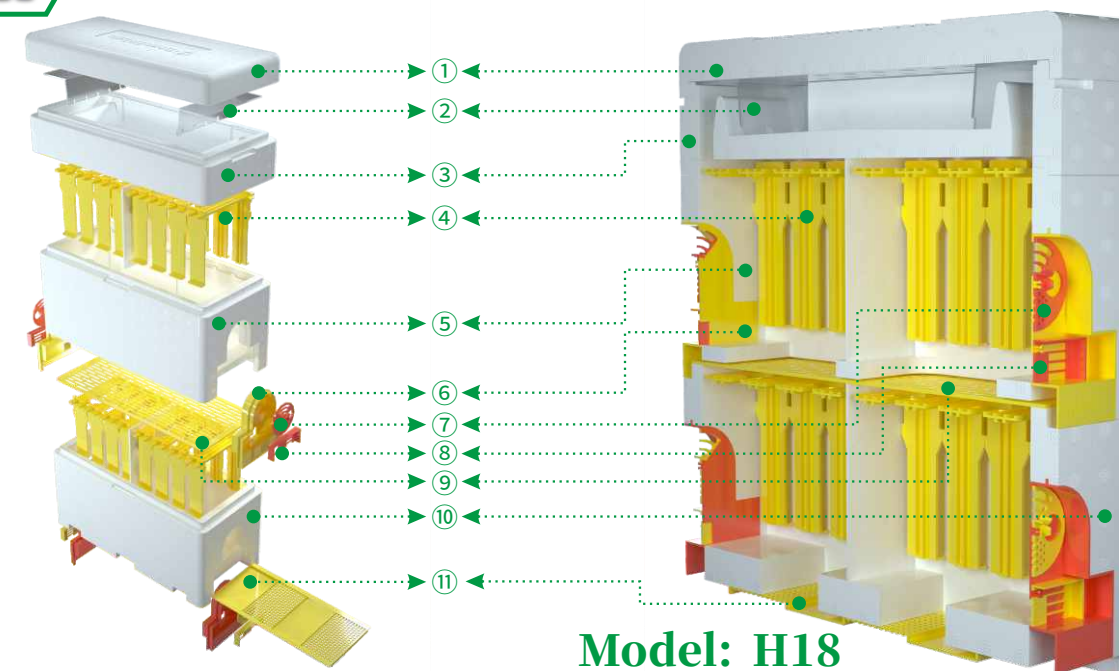

D9 Background

Shenzhen Benefitbee Bee Industry Co., Ltd is the governing unit of Chinese Beekeeping Society; the standing corporate member of the Chinese Beekeeping Equipment Committee and the Council Member of Guangdong Apiculture Association. We have never stopped communicating and learning with industry experts and scholars, which provides a valuable source for our research & development capacity!

Uncapping knives

OEM/ODM available >>

Model: K10

#304 Stainless Steel CE certificate
Designed for easy uncapping to extract honey faster.
No more messy chunks of wax in all over the place.
Temperature: 150-190°C
Voltage: 110-220V Power: 300W

Model: K10-E

#304 Stainless Steel
Electric heated uncapping uncaps honeycomb
in a few simple swipes.
Temperature: 150-190°C
Voltage: 12V Power: 300W

Model: K10-T

#304 Stainless Steel
Electric uncapping knife with thermo regulator CE
certificate Slides right along the outer edges of the
frame and makes a nice cut. ON-OFF switch attached
to control temperature, eliminate over-heating.
Voltage: 110&220V Optional Power: 300W

Model: K10-Y

#304 Stainless Steel
Switch control: Long press to turn on or off, short
press to switch Celsius and Fahrenheit Plus or
Minus 5 unit each by press "+" or "-" button
Adjustable temperature: 0-180°C
Voltage: 110-220V Power: 300W

Model: QB04-2

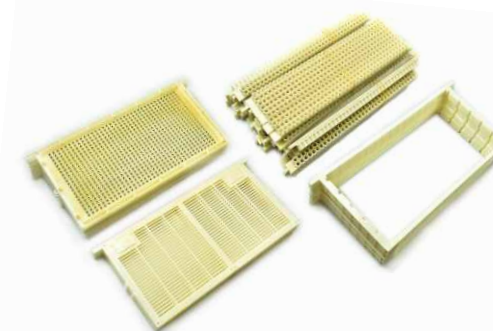

Queen cell

1. Insert the comb box into a frame and 110 brown cell starter cups are fitted into the back of it.
(With this kit you will be able to raise your own queens and do it without grafting or ever touching a larvae.)
2. Confine the queen in the front of cage and she immediately lays eggs in the 110 available cells.
She can be realeased in the next day. On the 4th day each newly hatched larvae is ready for transfer.
3. Remove each cell starter cup and insert it into a cell cup holder.
4. Slid this unit onto a cell bar holder which is attached to a cell bar.
5. To finish the cells you now put the cell bar into a cell building colony.
